To Whom It May Concern:

I am Terry Hannah, a director of the Interior Provincial Exhibition (I.P.E.) in Armstrong, B.C.

Tickles the Clown and Company have worked for our Exhibition for the last five years. We have found the Clown Company to be an integral part of our exhibition. The diversity that their acts encompass, make them an excellent choice for any entertainment purpose. I have personally seen them entertain toddlers to senior citizens.

The variety of skills that the clown troupe have to offer, including their professional attitude make them a pleasure to work with. We have found Tickles and Company very flexible in trying new ideas. They work well with other entertainers and are excellent at giving 110 percent to their audiences, to provide a quality show.

Without hesitation I would highly recommend Tickles and Co., for any entertainment that you need. From clowning to excellent musicians, this clown troupe does it all.

Please feel free to contact me at Terroysrus@aol.com or (250) 546-9448.

Sincerely

RE: Letter of Reference

Dear Tickles, Yowza, and clown family

Please accept this letter with our sincere thanks for the wonderful job you did at our Open House held at the Victoria International Airport on October 21st, 2006, to celebrate completion of the air terminal building.

You delighted our guests, both young and old, with your magic show and roaming entertainment throughout the building and we received many compliments about your performance. People are still asking about the "rabbit" trick!

Thanks again for being a big part of our opening celebrations, we hope to have occasion to work with you again soon.

Yours truly,

Dear Jennifer and Ron,

Circus Magicus has come to an end here at the Royal British Columbia Museum, but memories of the artists who worked both singly and with each other to put on such outstanding acts and performances will be with us for a long while. What a great success, and what a stellar cast!

You filled such a variety of roles for us while you were here! You helped us promote our exhibit and programs in the press. Our audiences learned all about the history of clowns and how one evolves into a clown – an hour-long performance that was always so well attended. You held wonderful workshops in the artistry of clowning. You subbed in our costume room for our ringleaders. And, of course, you provided Circus Magicus with clowns: the voluble, buffoonish jokester Yowza – there wasn't a pratfall he wouldn't take – and Tickles – endearing, mischievous and full of tricks, a beacon for young children who, once they catch sight of her, will drop whatever they're doing, abandon their family, and head straight for her arms for a big hug and some magic. Tickles and Yowza even helped turn a gymnastics presentation into The Danger Show!

It was a pleasure to work with you, Jennifer and Ron. Once again, my many thanks and best wishes for your future.

Sincerely,

Bernice Neal

Dear Tickles,

I am writing to say thank you very much for sending "PoCo" the Clown to our neighbourhood barbeque event that was held on September 28, 2008. He was "the hit" of the party!

The children and parents were thrilled that he came out to join them, but it was his enthusiasm and patience that was so greatly appreciated. The ages of the children ranged from toddler to 12, yet not one child reacted negatively. From the moment of his arrival, the kids were captivated and engaged; parents were able to enjoy time with other adults, yet feel secure with their children close by.

The City of Langford wanted to express our appreciation to this neighbourhood for some wonderful involvement and action they undertook to develop their park – having PoCo at this event went a long way to make our effort genuine and successful! As the City develops and grows, we anticipate many other public events in the future. It is our sincere hope that you and your wonderful clown family will be a part of these events, again, infusing the fun and adventure that only clowns know how to bring into our lives!

With fond regards,

Hi Tickles,

I just wanted to again thank you for all your work on at our event! I hope you got the photos that I sent through as there is one great one of u an Yowza!

I also wanted to forward you my testimonial.

" Having Tickles at our Family New Year's Eve event was fantastic as everyone loved them! The enthusiasm, slap stick humour and entertainment they provided was all fantastic and we would love to work with them again in the future. Parents, kids and all guests young and old couldn't keep their eyes off them nor contain their excitement and laughter at the shows Tickles performed. I would recommend hiring them for your family event as you will not be disappointed!"
